

Leaders search *for opportunities* to change the status quo. They are looking for innovative ways to improve the organization, or are looking for ways to leave their legacy. Because these learning opportunities are often the best time for leaders to reach outside their organization for help, CEOhq presents:

“In Transition” Coaching with Bruce Peters

CEOhq offers a world-class coaching model for executives that want to grow, change, sell, move, merge, or even retire your business. With the support of best-in-class Executive Coaching and a large network of CEOs as a resource for support, Bruce Peters can assist with any transition you may be thinking of or going through.

The 6 month coaching model includes:

- Six, 2-hour one-to-one sessions with an executive coach over a period of six months
- Between session practice and focus activities with built in accountabilities and resources (books and articles included)
- DISC Behavioral Profile with 30 page detail report
- One Page Transition Plan

Key Outcomes:

- Better manage the complexity of the transition
- Become a better and more effective leader throughout the transition
- Get greater understanding of how you make decisions so that you can make wiser choices and use your time more effectively
- Discover what is external and internal in your competitive advantage
- Better build and reinforce personal brand identity
- Enhanced scenario and forecasting skills.
- Increased awareness of dynamic business decisions
- Higher levels “what you want” and passion to drive it
